Holiday 2006 Gift Guide

Ah, Christmas is here again.
And that means it's time for our
annual consumer-fest. Here's
Bluff's official Christmas list...

PHIL HELLMUTH
ULTIMATE
White to Black Belt
Poker Course

Christmas just wouldn't be Christmas without the latest product from Phil Hellmuth, and no self-respecting poker fan's stocking is complete without a little piece of the Poker Best. This time around, Phil has surpassed himself, offering us the **Ultimate White to Black Belt Poker Course**. Relax in the bath as Phil's dulcet tones gently coach you towards poker awareness. Listen as you sleep and in the morning you will wake up a "black belt" - probably, \$109.95 will get you all 50 downloads, plus a live "tele-seminar" with Sensei Phil. Visit Mackbluffphil.com. (Amplify.com also has some very good poker lessons for iPod's and MP3 players.

PHIL HELLMUTH
**READ 'EM
AND REAP**

Read 'em and Reap is for Nevins's masterful use of his non-verbal behavior; indispensable advice on how to sniff out bull shit, compiled during his years spent in the FBI interrogating bad guys. The most read poker psychology book of the year.

No more sloppy home games with the **DB2 Digital Dealer Button**. This is a dealer button with a brain. Not only does it alert you as to when the blinds are going up, but it also allows you to call the clock on your opponents. Imagine the fights that's going to cause! It's \$11.95 online at www.DBdealer.com.

We've all written to Santa already about this one and we're trying to be extra good so we might get paid off. \$3,799 will get a very lucky level-one four days of poker instruction from the pros and the chance to party with Playboys all night. Add to that tournaments with over \$100,000 in cash and prizes, plus a grand finale party at the Playboy Mansion, and you have the best Christmas present in the history of Christmas. The first ever **Playboy Poker Camp** will be held January 17th through 21st at Morongo Casino. Visit www.playboy-pokercamp.com for details.
